Lt. Colonel Myron K. Barrett, Editor
Army Information Digest
Armed Forces Information School
Carlisle Barracks
Carlisle, Pennsylvania

Dear Colonel Barrett:

General Smith is away on a trip at the present time and although I cannot get a direct answer from him with regard to an article for the Army Information Digest, in my opinion, it is very unlikely that he can get to this within the next two months. Meanwhile, I will keep your letter on my desk and watch for what appears to be a propitious moment to discuss this matter with him. I will let you know as soon as I can get something definite on this.

Sincerely,
